

ABSOLUTE

DISCOVERING AND LIVING GOD'S ABSOLUTE TRUTH

SERIES OVERVIEW & ITINERARY

DESCRIPTION: God's truth is absolute and universal, and all people are called to obey it. Beginning with placing the Bible as our final authority on absolute truth, we will work our way through the basics of both Christian doctrine and Christian living. These two categories are not often connected, but this series will explore why belief and lifestyle must be linked for the Christian, and why both must be governed by God's absolute truth.

Our study will serve three main purposes: 1) To provide those who call TSC Summit their home with a clear understanding of what we believe and why. 2) To build unity as a congregation by offering a vision of how God has called us to think and live. 3) To arm each individual with knowledge that will aid in spiritual growth and in discerning false teaching. While the focus of the study is on Christian essentials—absolute truth—time will also be taken to explore critical areas where Christians must give space to differences of opinion among brethren.
