

TSC KIDS In-Person Safety Protocols

In order to maintain the safest environment for our children, TSC Kids will enforce the following protocols:

1. Sanitize classrooms, shared spaces, surfaces & items.
2. Face coverings will be optional for students attending TSC Kids classes. Anyone who chooses to wear a face-covering may continue to do so. Students may request a mask from their teacher if desired. Face coverings are strongly recommended for any volunteer or student who knows they have been exposed to COVID-19 within the previous 10 days.
3. Maintain healthy hand hygiene by frequently washing hands for 20 seconds. Hand sanitizers are available in every room and throughout the 3rd floor.
4. If any child is sick, please stay home. We have online classes throughout the month. To register, please click <https://tsc.nyc/kids>. If a child or their household member becomes symptomatic for COVID-19 and/or tests positive, the child must quarantine and may not return or attend TSC Kids in person until after quarantine is complete.
