

TSC KIDS In-Person Safety Protocols

In order to maintain the safest environment for our children, TSC Kids will enforce the following protocols:

1. Sanitize classrooms, shared spaces, surfaces & items.
2. All volunteers, as well as children ages 2-12, are required to wear a face covering. In accordance with the CDC, children under 2 years of age will not be required to wear a face covering. Face coverings will not be worn during snack time when children are seated and eating. Individual snack packs will be provided to each child to avoid community sharing of any food or drinks.
3. Maintain healthy hand hygiene by frequently washing hands for 20 seconds. Hand sanitizers are available in every room and throughout the 3rd floor.
4. If any child is sick, please stay home and join us online at 3pm. If a child or their household member becomes symptomatic for COVID-19 and/or tests positive, the child must quarantine and may not return or attend TSC Kids in person until after quarantine is complete.
