

FAMILY FRIDGE PRAYER TIME

Topic of the Month:
NEW YORK CITY

Verse of the Month:

Proverbs 11:11 "By the blessing of the upright the city is exalted, but it is overthrown by the mouth of the wicked."

As Christians, we can bless our city through our prayers and when we serve our community.

Week 4: Our Own Neighbors and Neighborhoods

- Monday: Pray for our elderly neighbors who feel alone during this pandemic.
- Tuesday: Pray for our neighbors who may be struggling financially.
- Wednesday: Pray for more people in our neighborhoods to accept Jesus into their hearts.
- Thursday: Pray for those suffering with mental health in our neighborhoods, that God would bring people alongside them to help and that they would receive services for their conditions.
- Friday: Pray for the safety of the kids in our neighborhoods, that they would be protected by God from harmful people, especially in their homes.
